

# South Sioux Farmers Market

## Rules and Regulations

### Basic Information

**Location:** Dakota Avenue between 15<sup>th</sup> and 16<sup>th</sup> streets (lot north of Pizza Hut)

**Full Market Day and Time:** Sunday, 9 AM-2 PM. Full market is open every Sunday, rain or shine. Market space is available for vendors to sell beyond specified hours and on other days of the week.

**Season:** June 2 - October 27 (22 Sunday market days)

**Market Purpose and Goals:** The South Sioux Farmers Market aims to serve South Sioux City's population as a place where local vendors can sell their homegrown, homemade items and local residents can buy fresh, local, homegrown and homemade foods and agricultural items. This market will accommodate both large, established vendors and small, new vendors.

**Market Organization:** The South Sioux Farmers Market is a project under the umbrella of the Center for Rural Affairs, a 501(c)(3) nonprofit. SSFM operates with the permission and support of the City of South Sioux City on City property. SSFM rules are approved by the City. An elected Board of Directors, consisting of representatives of categories of vendors, of City representatives and of customer representatives, shall set Market rules and approve any exceptions to those rules.

**Vendor Registration:** All producers selling their goods at the South Sioux Farmers Market (SSFM) must be registered market vendors (members of the South Sioux Farmers Market Association). This is separate from a stall rental. Registration of all producers as members of the Market Association ensures that all items sold meet the market's standards of homegrown and homemade.

**Stall Rental:** Registered SSFM vendors must purchase stall rentals on a season-long basis in order to sell at the market. Multiple registered vendors may share a single stall, if desired (details below), but all vendors must be present to sell their own goods.

**Sales Monday-Saturday, Sunday off-hours:** Registered SSFM vendors who rent stalls may sell at the SSFM location at any time.

**The rules and regulations in this document apply to all sales in the SSFM location, regardless of whether sales occur on the Sunday market day or on another day of the week. Exceptions are marked.**

#### Market Stalls

Market stalls are 10' in length (along curb) and extend 15' from the curb towards the center of the street. There is a 2' walkway between stalls. 50 stall spaces are available.

SSFM vendors may apply to rent as many market stalls as they want. SSFM registered vendors are not required to rent a stall if they intend to sell under a different SSFM-registered vendor's stall, but even vendors without their own stalls must be present at another vendor's stall in order to sell their own products.

Stall placement at the Sunday market will be assigned according to the manager's discretion. On other days of the week, vendors may occupy the location of their choice, but are limited to the number of stall spaces they have rented.

#### Vendor Applications and Fees

Vendor applications are accepted on a rolling, first-come, first-served basis at the discretion of the Market Manager and Market Board of Directors based on the needs of the market as a whole.

All vendors, regardless of stall rental, must pay a flat registration fee of \$10 to become a SSFM registered vendor.

It is recommended that these be displayed during sales, or at least be available for customer, Market Manager or inspector viewing.
