Tanner O’Dell is a 17 year old entrepreneur with a passion for cooking and entertaining. Actually...passion is an understatement. Ever since he was 12 years old he’s been living the life of a “wanna-be” celebrity chef cooking up amazing food for all kinds of people. He actually started cooking because of his late night obsession with the Food Network. So Tanner has a dream to inspire people in the way he was first inspired to cook. To do this he puts on an inspirational show for you! Currently Tanner is cooking up a storm, speaking to all kinds of audiences, hosting two radio shows, and becoming a future author. His number one goal is to inspire people to be the best they can be...and help them eat good food of course.

The BIZ IDEA Summit is presented by the Center for Rural Affairs in cooperation with our special partners: Thanks for making this possible!
