

2010 Nebraska Energy Fair

Lyons, NE

July 23rd & 24th

July 23, 2010

Nebraska Energy Fair Bus Tour

www.cfra.org or stephanief@cfra.org for more info

8:00—Half of the bus tour attendees to observe an on-farm alcohol plant. This portion of the tour is limited to 15 so we will take one half of the attendees before the full tour begins and the other half of the attendees once the full tour is completed. You will be notified before the 23rd to determine which time you will attend this portion of the tour.

9:00—Full bus tour to begin at the Nebraska Green Fuels Station 300 Main Street: Nebraska Screw Press, Tour of the Station, Renewable Energy Farm, Solar Installation, Five Turbines, Solar Water, commercial methane digester and observe sustainable farming methods in action

5:00—Second half of bus tour to go to on-farm alcohol plant

July 24, 2010
