Featured Speaker: Alan Ovson

Alan Ovson is a successful speaker who uses his extensive background as a professional actor, education administrator, and business consultant to make positive and purposeful change in people and organizations. With over 20 years experience as a business consultant, Alan has solved many organizational problems, worked with many types of people and is sought to speak in the field of communication, negotiation, and change. He has learned that most problems that stall negotiations, zap motivation, destroy teamwork and decrease productivity have to do with ineffective interpersonal communication. Alan will use his professional acting background and humor today to open us up to new ideas while giving us tools and step-by-step strategies to communicate and negotiate more effectively.
