Dear Small Business Owners,

You are invited to participate in the First Annual **South Dakota MarketPlace: Opening Doors to Success Conference** presented by the Center for Rural Affairs, South Dakota Farmers Union and our numerous partners on Tuesday, July 26 and Wednesday July 27, 2011 at the Huron Event Center in Huron, South Dakota.

What is MarketPlace? South Dakota is offering its first conference modeled after North Dakota's very successful Marketplace for Entrepreneurs and Nebraska and Kansas's MarketPlace Conference. The conference will offer training, networking, and professional development opportunities for startup and existing small businesses, service providers, rural communities, and family farmers and ranchers.

Key Elements of the Conference:

1. The **Resource Zone** will feature up to 52 exhibit booths filled with successful small business men and women, service providers, and other conference sponsors. Attendees will be able to meet exhibitors throughout the day to ask questions, gather information, and make connections.
2. **Professional Development** will be enhanced through 30 training sessions ranging from marketing and finance to innovation and agriculture plus much more!
3. **Expert Q & A** - professionals will be available throughout the conference to answer specific questions on legal matters, finances, marketing, technology, design, and more.
4. **SD MarketPlace Store** is an area of the conference that will give attendees a place to shop for a variety of quality South Dakota products and services offered by small business owners.

How Can You Become Involved? Sign up for the First 2011 MarketPlace Store opportunity. We would like to have as many small business owners participate as possible to assist with the promotion of your business! If you would like to participate go to www.cfra.org/marketplace/home to fill out the form and return it to me no later than July 22, 2011. In addition, please also fill out the [inventory list form](#) that will list all items you will be selling at the conference. South Dakota Farmers Union will collect and pay sales tax, making it an even easier process. You do not need to be present at the store during the conference as conference staff will be running the store so you can enjoy the conference! This is a terrific opportunity for you to showcase your South Dakota made products while introducing them to a new audience.
